Reasons for comment:

Comments:	<p>I am writing to express my firm opposition to this planning application.</p> <p>Longfield road is already lined with parked cars which requires drivers to stop for oncoming traffic, which is exacerbated at school drop off/pick up times. Adding more traffic as well as a road junction will make this worse.</p> <p>We moved to the area to enjoy the landscape (which we understood to be protected by the Green Belt) and see this development as detrimental to the rural surroundings.</p> <p>I also have concerns that existing public services (doctors, schools) are already at capacity, and cannot sustain dramatic increases of population.</p>
