Reasons for comment:

Comments: I totally object to the thought of 50 houses being built on that lovely space. I walk my dog on that field daily and enjoy seeing so much wildlife there, I hate to think of what that will do to the animals and their homes. Higham is a village with no doctors surgery, building these houses will make it even more impossible to get a doctors appointment in the neighbouring villages that we now have to try to get to. We also already have a problem with lorry's and traffic that this will only make it worse. Keep Higham as the lovely village it is and leave our green spaces as they are.

Kind regards
