Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The proposed double garage will be on a raised elevation from the main house and would be much higher than the original. The result would be a large brick wall adjacent to the unmade road which would dramatically change the character of the narrow lane. The adjacent cottages, especially no 13 would be overlooked by a building as high as the main house completely spoiling their present view.

Kind regards
