Reasons for comment:	
Comments:	In our village we do not have the infrastructure to support current inhabitants let alone 1000+ more! The doctors at Meopham is oversubscribed currently and getting an appointment is near impossible at the moment as is Istead Rise, the road are at breaking point already. NHS dentists are unavailable to all. The water supply company has already said they cannot accomodate these additional dwellings. These are beautiful fields fields and should be retained for future generations, they are home to various wildlife and should be preserved.

Kind regards
