Policies & Representations

Not applicable, this is an application for a lawful development certificate under Section 192 of the Town & Country Planning Act 1990 (as amended).

Material Consideration

Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended).

Relevant Planning History

Reference	Description	Decision	Decision Date
20181245	Erection of a single storey rear extension, construction of a dormer extension in the rear roof slope and conversion of the loft space into habitable rooms.	PERMITTED	29.01.2019
20170270	***AMENDED APPLICATION*** Creation of a vehicular access with associated block paved hard-standing area in the front garden.	PERMITTED	15.08.2017

Development Plan

Due to the nature of this application, the adopted plan and national planning policies are not relevant since it relates to whether the proposed single storey extension requires prior approval.

Planning Legislation

Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended).

Consultation, Publicity and Representations

In accordance with the amendments in relation to home extensions under paragraph A.4 (5) of Class A, Part 1, Schedule 2 of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended) the following adjoining neighbouring properties were notified of this application;

- 11 Longfield Avenue
- 15 Longfield Avenue

The expiry date for comments was 9th August 2023 and no representations were received.

Preliminary Matters

The plans show alterations to the roof of the property, which are the erection of a dormer and a hip-gable roof enlargement. These do not form part of the Prior Approval Larger Homes application assessment and a separate application to confirm lawfulness should be submitted to the Local Planning Authority.

An informative will be attached to the decision notice to highlight that the roof alterations are not permitted as part of this application and a lawful development certificate should be sought to confirm their compliance with Classes B and C of Part 1, Schedule 2 of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended).

Analysis

Under Class A.1 (g) of the Town and Country Planning (General Permitted Development) (GDPO) (England) Order 2015, as amended, a single family dwelling can extend beyond the rear wall by 6 metres in the case of a semi-detached property, as long as it does not exceed 4 metres in height.

As stated in the GDPO, Class A.4 (2), the developer has provided sufficient information to support the application; application form, site location plan and additional plans. Overall, the information provided is in accordance with the parameters set out in the GDPO; 4.275 metres deep and a maximum height of 2.9 metres.

The adjoining properties were consulted in accordance with A.4 (5) and no representations were received. Therefore A.4 (7) has not been triggered and impact on neighbouring amenity does not require investigation.

It is considered that the details and documents provided with the application are sufficient and no further information is required under A.4 (8) to determine the proposed development.

Conclusion

The proposed development complies with **THE TOWN AND COUNTRY PLANNING (GENERAL PERMITTED DEVELOPMENT) (ENGLAND) ORDER 2015, AS AMENDED**, and it is considered that **PRIOR APPROVAL IS NOT REQUIRED**, subject to the imposition of informatives relating to the extent of this prior approval, the development to accord with the information provided, the time limit for completion, notification of completion and requirement to comply with Building Regulations and Party Wall Act.
