Comments Details

Commenter Type:	Member of the Public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	I'm supporting this project because of there is very little facility for prayer and religious activities in my area.this propose mosque and cultural centre is walking distance from town centre which is even better for me like after every day business or shopping we can walk to the centre don't need to use cars.

Kind regards
