Reasons for comment:

Comments: We have lived here [REDACTED] and it has always been a quiet residential row of semis from the church to the traffic lights, once known as "Upper Wrotham Road". [REDACTED] are particularly concerned for [REDACTED] at 221, [REDACTED] as the dividing walls in these houses are paper thin [REDACTED] Such a development is bound to cause them additional noise and disturbance. Another point of worry is for the children themselves. We understand that the people are not local and wonder if they realise how busy the road can be? It really doesn't seem an ideal road for vulnerable children to be living.

Kind regards
