Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The main objections i have are as follows. Over development of the site. The site is in no way "grey belt". The development would join Meopham to Sole Street. Water provision already under stress in the area and additional housing is not appropriate given the current inadequate water provision. Local amenities inc health services already at capacity. Additional traffic not in keeping with infrastructure and not in keeping with environmental best practice.

Kind regards
