Reasons for comment:	
Comments:	Road infrastructure in surrounding 5 miles is not capable, ad the lower Thames crossing and the volume of traffic increases. There are many roads in Sole Street and Camer Road and have no paths and people use roads the risk of fatalities is much higher. The parking at Meopham shops is ridiculous, the exit from Meopham parade is still unsafe, all this gets exacerbated. Why not pick another location where you can build a new village rather than expand on a fragile road infrastructure, very short sighted and taking easy/lazy route, poor judgement by planners.

Kind regards
