Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	We would like to oppose the application of the changes to 27 Brenchley Avenue for the following reasons. The plan looks like it will be an HMO, it will not be in keeping of the road and surrounding area, Insufficient parking, 24hr comings and going's, excessive noise and excessive litter and rubbish. This would be a disaster for the area and community.

Kind regards
