Reasons for comment:	
Comments:	I fail to understand how this application can be considered in a residential setting, on a route to a large school and adjacent to a public park. Without doubt the level of rubbish will increase in the area from discarded packaging, road traffic, noise etc. This development adds nothing to Gravesend by way of benefit to the hospitality sector when the town needs to attract more visitors, investment etc. This would be a travesty and yet another example of the council not having its residents best interests to heart. I strongly object to this application and hope sense will prevail.

Kind regards
