Reasons for comment:	
Comments:	Please please please do not do this! The traffic which is already increasingly contested due to more and more housing, woodlands park should be a safe green space for children to play, not somewhere with terrible air quality, rubbish, rats that will inevitably be drawn to the site with the left over food. The most awful idea, there are already two MacDonald's in Gravesend, a third is completely unnecessary and so was. Protect woodlands park!!!

Kind regards
