Comments:	I strongly object to the Woodlands becoming a McDonald's! My first worry is the Woodlands Park will be prime location for people to eat their takeaways and can you imagine the litter?? We love that park but I just picture what it will look like strewn with packaging and leftovers...encouraging rats too! We already have a McDonald's half a mile away and in ASDA. Definitely don't need another in Gravesend. Local school children do not need any more encouragement to eat junk food but thats what it will be doing! The noise and smell for residents will be awful....many many cars in and out and delivery bikes too. I cannot imagine what people living in Wrotham Rd are feeling about it! I would hate to live near it with cooking smells wafting out continually. Wrotham Road is already a hugely busy road and the impact of added traffic will be so very bad for our environment. We do not need another McDonald's. I cannot stress this enough!!

Kind regards
