Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	This application is frankly ludicrous. There are so many brown field sites in Gravesham that are untouched. This request is being build on green belt farming land. The roads during school run times are untenable as it is now. It takes a week to get a GP appointment. Parking is impossible at most times in the village. The impact to the environment is staggering. This is clearly a case of greed over common sense

Kind regards
