Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I strongly object to this planning application as this is Greenbelt agricultural land. This site does not meet the accepted definition of Greybelt and is not included in the proposed local plan therefore Gravesham Borough Council have not designated this site suitable for any development. Meopham is a small village which in rush hours is already heavily congested with traffic and another 725 homes would bring the roads to a standstill as well as the additional pollution to our beautiful countryside .

Kind regards
