Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I strongly object to this planning application because: 1. Our Meopham road structure is already at it's worse condition ever and further housing would worsen the situation further. 2. Doctors surgeries cannot cope with the existing population of Meopham so 2000 plus more residents would be a further strain on our GP's (my wife last week tried to get a doctors appointment via E consult and was informed that NO appointments were available and to go to the Gravesend walk in centre or A&E!!) 3. The Meopham public transport system is almost non existent and the additional residents would mean around 1500 more cars congesting the already congested roads. 4. Villages should maintain their individual characters and not be merged into one large development. 5. This development would cause a catastrophic loss to our local Green Belt.

Kind regards
