Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments: I object to this retrospective Application which adds yet further confusion to other current applications on the same site/plots.

Given the Government Inspector granted an Appeal allowing, with 11 Conditions, the siting of 1 mobile home during 2025 It is not clear to which area on the site this permission was actually granted. There are now 3 areas identified and 6 Planning Applications, one of which covers two of the identified areas. I believe the people submitting these applications have deliberately submitted conflicting applications to cause confusion. The people living on this site have already demonstrated that they have no regard for following due process by never submitting planning applications before any work commences.

The land to the south of White Post Lane is Green Belt land and is not identified as suitable for Traveller occupation or indeed housing.

Instead of open fields/meadow the view to the south when walking along White Post Lane is now 6ft high close boarded fence and metal gates.

The view of this Green Belt land no longer exists!!!!

Kind regards
