Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	This development will cause extra traffic through an already congested village. Where there is a distance shortage of parking already. The village Doctor's surgery is to close shortly and there is no direct bus service to the next Surgery. The village school is now already oversubscribed. Ther are already too many houses in the village considering all aspects of the local environment.

Kind regards
