Reasons for comment:	
Comments:	1 long term risk to the health of the young people in the area there are 4 schools in easy walking distance. 2 Close proximity to a park. 3 In the middle of a residential area. 4 Wrotham road is the main rout into Gravesend the potential for traffic jams and added pollution. 5 The increased littering around a McDonalds is well documented. 6 There is already 2 McDonalds in Gravesend we do not need more. 7 Childhood obesity in this area is above the acceptable government guidelines which should automatically disqualify any application with walking distance of a school let alone 4

Kind regards
