20221179 LAND AT ST. COLUMBA'S – PLANNING CONDITION NO. 26 PLANT & EQUIPMENT

We refer to the above planning permission and in particular discharge of condition no. 26. Please find enclosed the following;

1. Drawing T-AIS2113-PLAN – Showing the proposed Electric Substation Enclosure position.
2. Envico drawing showing GRP Housing Model TR7 which is the specified substation enclosure by the statutory authority.

This is the only proposed plant equipment on the scheme and specified by the statutory authority. It was also shown on the approved planning permitted drawings.

We confirm there is no roof top plant equipment to be installed.

Yours sincerely

Sam Duckett
