Reasons for comment:

Comments: My children attend Saint George's school and this would be awful for the school the rubbish in the area is already terrible and this would lead to so much litter in the park we use each day. Not to mention the health implications of yet another fast food restauraunt. There are two macdonalds in the town already the one in town has to have security around the clock and has links to county lines. This would be an awful use of a building that could be used for so many other things to help the community

Kind regards
