Reasons for comment:	
Comments:	I live in Sole Street I am concerned about this development for a number of reasons Increased amount of traffic in the already busy road. Would the roads be able to cope with increased traffic. I have recently had problems getting an appointment at the doctors increase in the population will make this matter worse. This community has always been a lovely place to live I feel Sole Street and Meopham will change forever. Light pollution Once the land has gone to housing we will never get it back once its gone its gone. A beautiful space will be gone forever. So sad if this development goes ahead.

Kind regards
