| Comments:            | <p>Meopham surgery will not be able to cope with any more residents. It is not coping already.</p> <p>Norwood lane will have difficulty to get emergency vehicles down it.</p> <p>Increase pollution.</p> <p>The fields are being cropped yearly and we need to be self sufficient in the UK and not rely on other countries.</p> <p>Wildlife is vast in these fields too, so we would be losing as the animals will not have their habitats because they will be destroyed.</p> <p>Sole street and Hook Lane would be merging and we need to prevent urban sprawl.</p> <p>The properties proposed to be built should be in keeping with the current properties, but they will not be.</p> <p>The roads will not be able to take the increased traffic.</p> |
