Reasons for comment:	
Comments:	This can not be allowed to go ahead on so many levels. Not only the fact that it's another fast food restaurant which is not needed, but the impact on local residents many who have live there for years! The impact on traffic and congestion will undoubtedly impact air quality and the proposed felling of trees! No doubt there will be the mandatory just eat drivers and cyclists hanging around and last but no means least the safety of children who play in the park. If this is approved then the council no longer care about its residents

Kind regards
