Reasons for comment:

Comments:	I have many concerns about this development. A huge development which will increase the traffic along Sole Street which is a very busy road anyway. A loss of Green Belt Land once its gone its gone. Loss of wild life Light pollution Sole Street as a community will change. Increased noise pollution Increase difficulty getting a doctors appointment. Dont understand how our country roads will cope with increased traffic. With the increase of traffic along Henhurst Road when Halfpence lane was closed a lot of pots holes have appeared and a times tricky passing the larger vehicles along the lanes.
