Reasons for comment:

Comments: Dear Mrs Fisher,

I hope this find you well.

I am astonished to hear of this news and strongly object to such works and the idea of living opposite a McDonald's restaurant (even associating the word resteraunt, with such an abysmal establishment is degrading).

Please consider my following points when making a decision on changing the area my family live in:

- Do we need to have another McDonald's? I only live within 0.8 miles from my local establishment.
- Why ruin one of the nicest parks and offer such a poor nutritional option for our community. If there is need of catering options, wouldn't a better option be suitable?
- I fear that like the McDonald's in Gravesend Town Centre, that there will be an increase in antisocial behaviour, with the need of security presence. Would you like that on your doorstep? If you are unaware of what I mean, please feel free to visit that establishment on a weekend past 8pm.
- The environmental impact on the works and the unwanted fumes of poor quality

fried goods.

- This is one of the busiest and highly used roads in Gravesend and already has issues with congestion and traffic, causing many issues for locals like myself in the neighbourhood. How can this be helpful for anyone?
- The impact on the pleasant views of our neighbourhood and just ruining what is our area.

I am not aware of where you reside, however would you be pleased with living opposite a McDonald's?

I am writing with a plead, reversing any appalling decision that may be made in erecting this establishment in our community.

I am a local parent, parent governor, Physical Educator in a secondary school in London and hope this holds security in understanding my viewpoint and an honest chance of appealing this.

Lastly, if the decision is to go ahead with plans, I will seek to sell my property and leave Gravesend/ Gravesham with the understanding that this is no longer somewhere that I would like to raise my family within. Also, to avoid any further decrease in appeal to possible buyers.

Who would see this as a positive, outside of the greedy nature of the council?

I anticipate your response/decision on the matter.

Kind regards,
Possible neighbour, of one of the worst catering establishments man created

Kind regards
