Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object to this proposal due to traffic, air quality and residential amenity concerns. The road is already heavily congested, particularly during school hours. A McDonald's restaurant will increase traffic and vehicles idling in an area that has historically exceeded air pollution limits. The site is next to a park and close to a secondary school, raising concerns for children's health. There are already nearby McDonald's restaurants serving the area.

Kind regards
