**TOWN AND COUNTRY PLANNING ACT 1990
THE TOWN AND COUNTRY PLANNING (DEVELOPMENT MANAGEMENT PROCEDURE)
(ENGLAND) ORDER 2015 (AS AMENDED)**

NOTIFICATION OF REFUSAL OF PERMISSION TO DEVELOP LAND

To: **Stanley Mushawatu
C/O Mr Tony Angeletta
11 Joydens Wood Road
Bexley
Kent**

TAKE NOTICE that the **GRAVESHAM BOROUGH COUNCIL**, the Local Planning Authority under the Town and Country Planning Acts, has **REFUSED TO PERMIT** development of land situate at:

**103 Jubilee Crescent
Gravesend
Kent
DA12 4JQ**

and being **Erection of a two storey side extension to form kitchen, family room, wc, bedroom and ensuite with 2 car parking space to the frontage.**

Your application dated 13th September 2024 is refused on the following grounds:-

1. The proposed hardstanding will have an urbanising effect and fails to demonstrate adequate retention of biodiversity which would reduce the harsh impact of a hard-paved driveway. The existing boundary treatment is unacceptable and harmful to the established character of the wider area and therefore the proposal is considered to be detrimental to the visual amenity of the street scene. The proposed development is contrary to Policies CS12 and CS19 of the Gravesham Local Plan Core Strategy (2014), SPD4 - Householder Alterations and Extensions Guidance (2021), Design for Gravesham - Design Code (2024) as well as Section 12 of the National Planning Policy Framework (2023) achieving well-designed places.
2. The existing boundary treatment which surrounds the proposed parking area poses a significant highway hazard on highway and pedestrian safety due to inadequate visibility splays. As such the proposal is contrary to Policy CS11 (Transport) of the Gravesham Local Plan Core Strategy, September 2014, KCC Parking Standards (2006) and Paragraphs 115 and 116 of section 9 of the National Planning Policy Framework (2023).

In accordance with Article 35 (2) of the Town and Country Planning (Development Management Procedure) (England) Order 2015 (as amended), and paragraph 38 of the National Planning Policy Framework (NPPF) 2023, the Local Planning Authority has approached the assessment and determination of this application in a positive and creative way and, where appropriate, has worked pro-actively with the applicant to secure a development that is sustainable and that improves the economic, social and environmental conditions of the area, and that is in accordance with the Development Plan for the area.

In this instance the proposal fails to comply with local and national planning policy and could not be supported.

NOTIFICATION TO APPLICANT

APPEALS TO THE SECRETARY OF STATE

- If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.
- If this is a **householder application*** which has been refused and you want to appeal against your Local Planning Authority's decision then you must do so within **12 weeks of the date of this notice**.
- For all other applications, refused or permitted, if you want to appeal against your Local Planning Authority's decision then you must do so within 6 months of the date of this notice.
- **For further information regarding Appeals and to make an application please click the relevant link:**
<https://www.gov.uk/appeal-householder-planning-decision>
<https://www.gov.uk/appeal-planning-decision>
- The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any

directions given under a development order.

- In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by him.

***Householder applications**

These are:

- (a) applications for planning permission for development of an existing dwellinghouse, or development within the curtilage of such a dwellinghouse for any purpose incidental to the enjoyment of the dwellinghouse, or
- (b) an application for any consent, agreement or approval required by or under a planning permission, development order or local development order in relation to such development

but does **not** include –

- (i) an application for change of use;
- (ii) an application to change the number of dwellings in a building.

PURCHASE NOTICES

If either the Local Planning Authority or the Secretary of State for the Environment refuses permission to develop land or grants it subject to conditions, the owner may claim that he/she can neither put the land to a reasonably beneficial use in its existing state nor can he/she render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council (District Council, London Borough Council or Common Council of the City of London) in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
