Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	I would like to support this proposal - the property in question is one of the smallest on the road and the proposed development would allow the overall presentation of the house (front facing, i.e. porch) to improve more in keeping with it's neighbours, while the rear extension will not even be visible from the road.

Kind regards
