We have received the attached letters and annexes from Kent Downs National Landscape Team and from National Highways, dated 28 April and 2 May 2025 respectively. Both request corrections to the above Development Consent Order, under Schedule 4 to the Planning Act 2008 ("the Act").

To ensure compliance with paragraph 1(7) of Schedule 4 to the Act, we are required to inform the relevant local planning authorities of the requests. In this case, these are Brentwood Borough Council, Gravesham Borough Council, London Borough of Havering, Maidstone Borough Council, Thurrock Council, and Tonbridge and Malling Borough Council.

In addition, Kent Downs National Landscape Team and National Highways are also being consulted due to the requests from each of them. We are also sending a copy of these letters and annexes to Dartford Borough Council, Essex County Council, the Greater London Authority, Kent County Council, Medway Council, Natural England and Port of Tilbury London Limited.

If you wish to make any comments regarding the requests or individual corrections, please direct these to the above email address. Comments should be received no later than **11 July 2025**.

If made, a copy of any Correction Order will be forwarded in due course.

Yours faithfully,
