| Comments:            | The services in and around the area of the proposed site are awful. Any additional occupancy will put further strain on the already lacklustre resources. We have extremely regular unplanned power cuts, low water pressure and dire internet connectivity and little to no phone service. Until the bare minimum is available to residents already living on the south end of Pear Tree Lane/The Ridgeway roads no more pressures should be imposed. |

Kind regards
