Reason: For the avoidance of doubt and in the interests of proper planning.

3. The materials used in the construction of the external surfaces of the development hereby permitted shall be in accordance with the details shown on the Application Form.

Reason: To ensure a satisfactory visual relationship between the existing and the new development in accordance with Policy CS19 of the Gravesham Local Plan Core Strategy (2014).

4. Prior to any further above ground works commencing, details of tree and hedgerow protection measures during construction, shall be submitted to, and approved in writing by the Local Planning Authority. The development shall be carried out in accordance with the approved details.

No vehicle, plant, temporary building, or materials, including raising and or, lowering of ground levels, shall be allowed within the protected area(s). All temporarily stored building materials shall be isolated within hardstanding areas and raised off the ground. Upon completion of the construction works and before the first occupation of the development on the site the trees shall be inspected by a competent tree surgeon and any necessary works to tidy the trees and maintain their health shall be undertaken.

Reason: To ensure that trees and other vegetation to be retained are not damaged during construction works and to protect and enhance existing species and habitat on the site in the future in accordance with Policies CS12 and CS19 of the Gravesham Local Plan Core Strategy (2014).

5. During construction the following measures will be undertaken, to mitigate impacts on protected species;

- a) Backfilling of trenches and other excavations will be undertaken before nightfall, or a ramp will be left to allow any animals to easily exit;
- b) All excavations and trenches shall be checked for the presence of any protected species each morning throughout the construction period and prior to infilling;
- c) If during development any a protected species is discovered within the works area, the Local Planning Authority shall be informed as soon as practical and the work shall not continue until written agreement is provided by the Local Planning Authority as to the appropriate measures to be taken to resolve the matter and they are satisfied that those measures have been carried out.

Reason: To protect and enhance existing species and habitat on the site in the future in accordance with Policies CS12 and CS19 of the Gravesham Local Plan Core Strategy (2014) and Paragraph 186 of the National Planning Policy Framework (2023).

6. Within three months from the date of this decision, a Biodiversity Enhancement Plan including details of how the development will offset biodiversity loss/enhance biodiversity will be submitted to, and approved in writing by, the local planning authority. The information submitted shall include the proposed target species, the make and model of any boxes, location information such as height, aspect, surrounding habitat, detailed planting schedules and relevant management to ensure the habitat is suitable for the target species. The details will include; native and wildlife-friendly planting, integrated bat and bird bricks and/or durable boxes, and hedgehog holes in any close board fencing. The approved measures will be implemented and retained thereafter.

Reason: In the interests of visual and residential amenity and to protect and enhance existing species and habitat on the site in the future in accordance with Policies CS12 and CS19 of the Gravesham Local Plan Core Strategy (2014) and Paragraph 186 of the National Planning Policy Framework (2023).

7. Within three months from the date on which the works commence, details of all external lighting shall be submitted to and approved in writing by the Local Planning Authority; the development thereafter shall be carried out in accordance with the approved details. The details submitted shall include, a plan showing the location of the lighting, confirmation that the lighting would be downward facing and on a motion sensor. The external lighting

shall follow the recommendations within Bat Conservation Trust/Institute of Lighting Professional's 'Guidance Note 08/23 Bats and Artificial Lighting at Night'

Reason: In the interests of visual and residential amenity and to protect and enhance existing species and habitat on the site in the future in accordance with Policies CS12 and CS19 of the Gravesham Local Plan Core Strategy (2014) and Paragraph 186 of the National Planning Policy Framework (2023).

INFORMATIVES:-

1 WORKS OF CONSTRUCTION

Hours of work of construction site plant, equipment and machinery, should be restricted to not earlier than 7.00 a.m. and not later than 6.00 p.m. weekdays and Saturday working should be restricted to not earlier than 8.00a.m. and not later than 1.00 p.m. No work shall be carried out on Sundays, Bank or Public Holidays.

- i. Suitable sound attenuation shall be used at all times in respect of all plant, machinery and equipment in operation on site in order to aid prevention of noise nuisance. Compliance with BS 5228: Part 1: 1984 and subsequent amendments regarding the use of equipment on site will be required in appropriate cases.
- ii. A suitable method of control shall be used in order to aid prevention of dust nuisance arising from work activities on site.
- iii. Burning of waste materials shall not be carried out on site. Such materials are to be stored in a suitable receptacle, as far from residential accommodation as reasonably practicable, pending disposal off site.
- iv. Adequate arrangements shall be made to remove all waste material from the site on a regular basis and to dispose of it at a suitably licensed waste disposal site.

2 DEVIATION FROM APPROVED PLANS

It is possible that any proposed deviation from the approved plans could be classed as a 'material' change requiring a further application/permission. In the event that any change is proposed, applicants are advised to seek advice from the Local Planning Authority [as proceeding without the necessary permissions could nullify this permission].

3 BUILDING REGULATIONS CONSENT

The granting of planning permission is independent from the granting of Building Regulations consent (which may, or may not, be required). In the event of a change to the scheme granted planning permission being required to satisfy the Building Regulations, applicants are advised to seek advice from the Local Planning Authority [as proceeding without the necessary permissions could nullify this permission].

4 STATEMENT OF POSITIVE AND PROACTIVE APPROACH TO DECISION-MAKING

In accordance with Article 35 (2) of the Town and Country Planning (Development Management Procedure) (England) Order 2015 (as amended), and paragraph 38 of the National Planning Policy Framework (NPPF) 2023, the Local Planning Authority has approached the assessment and determination of this application in a positive and creative way and, where appropriate, has worked pro-actively with the applicant to secure a development that is sustainable and that improves the economic, social and environmental conditions of the area, and that is in accordance with the Development Plan for the area.

5 AGREEMENT FOR IMPOSITION OF PRE-COMMENCEMENT CONDITION(S)

In accordance with The Town and Country Planning (Pre Commencement Conditions) Regulations 2018 and paragraph 36 of the Planning Practice Guidance the Local Planning Authority has agreed

in writing with the applicant on 21 June 2024 to the inclusion of the following pre-commencement conditions.

Condition 4 - Tree and Hedgerow Protection Measures.

NOTIFICATION TO APPLICANT

APPEALS TO THE SECRETARY OF STATE

- If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.
- If this is a **householder application*** which has been refused and you want to appeal against your Local Planning Authority's decision then you must do so within **12 weeks of the date of this notice**.
- For all other applications, refused or permitted, if you want to appeal against your Local Planning Authority's decision then you must do so within 6 months of the date of this notice.
- **For further information regarding Appeals and to make an application please click the relevant link:**
<https://www.gov.uk/appeal-householder-planning-decision>
<https://www.gov.uk/appeal-planning-decision>
- The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by him.

***Householder applications**

These are:

- (a) applications for planning permission for development of an existing dwellinghouse, or development within the curtilage of such a dwellinghouse for any purpose incidental to the enjoyment of the dwellinghouse, or
- (b) an application for any consent, agreement or approval required by or under a planning permission, development order or local development order in relation to such development

but does **not** include –

- (i) an application for change of use;
- (ii) an application to change the number of dwellings in a building.

PURCHASE NOTICES

If either the Local Planning Authority or the Secretary of State for the Environment refuses permission to develop land or grants it subject to conditions, the owner may claim that he/she can neither put the land to a reasonably beneficial use in its existing state nor can he/she render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council (District Council, London Borough Council or Common Council of the City of London) in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
