Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	This property change would introduce further traffic into a road that is already overcrowded with cars parking on both side of the road. With an old people's home at the end of the cul-de-sac, access for emergency services is already challenging without the addition of further cars. The property would suit a family very well as it is. This plan will make life for local residents in this very congested area miserable

Kind regards
