Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	It is too busy on this corner and one can't cross the road let alone park their without fear of hitting someone, I have made many
	There is mosque by the promenade, another mosque in Denton area and an Islamic school on queen street, from the parking situations that arise at those places we do not need this as will it increase congestion in an already congested area

Kind regards
