The proposed single storey rear extension would need to adhere to all of the above to be considered permitted development and further information would be required in the event of a submission to obtain a Lawful Development Certificate

Under Class A.1 (g) of the Town and Country Planning (General Permitted Development) (GDPO) (England) Order 2015, as amended, a single family dwelling can extend beyond the rear wall by 6 metres in the case of a detached property, as long as it does not exceed 4 metres in height.

As set out in the GDPO, Class A.4 (2), the developer has provided sufficient information to support the application.

The information provided show the proposed development is within the parameters set out in the GPDO; 6 metres deep, a maximum height of 3.20 metres, with an eave height of 3.00 metres.
