Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	This application introduces unacceptable acoustic harm to the local environment. Glass-on-glass impacts, machine noise, and commercial vehicles making deliveries will be experienced by all local homes in a peaceful place. There is no justification for allowing such industrial intrusive sounds in one of Gravesham's few remaining tranquil, protected areas. I hereby register my opposition.

Kind regards
