Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	this is the carpark for the only shop in the village that is available to old and vulnerable people, they have a huge plot with two houses next door to each other they don't need to make it bigger , they are constantly getting permission to change the whole look of the area. How on earth are they getting away with this

Kind regards
