| Comments: | <p>I am so against this plan , I cannot believe yet another part of our beautiful is up for grabs in this money making planet !</p> <p>I moved here 5 years ago because of the outstanding views the wildlife and the small village community !</p> <p>No matter how much councils pretend to want to keep the planet green , help the environment , moaning at us constantly to recycle , switch to electric vehicles , etc etc</p> <p>It boils down to who gets paid the most and in a blink of an eye suddenly the environment doesn't matter !</p> <p>I hope to god there are some council members with an ounce of decency and take into account just how if this estate is permitted to go ahead how many lives will be upset human and wildlife alike .</p> <p>There is limited public transport here as it is , adding hundred of homes with hundreds of cars will just ruin this area</p> |

Kind regards
