Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	i object to this planning application on the grounds of the impact it will have on the local amenities. Docters/schools and the increased road traffic if this was a real concern for affordable housing there are many gray land sites that could be developed but this is just for profit virgin land gives you a better return please do the right thing for the people in your borough.

Kind regards
