Reasons for comment:	
Comments:	I understand that there are extensive dene holes under the land which make it unsuited to any extensive development. This is quite apart from the fact that the roads are already dangerous and totally unsuitable for the addition of a minimum of one car per 700 + houses (Green lane, Sole Street, Norwood lane). Add to this the lack of buses, spaces at doctors' surgery and schools and sizeable shops and this development becomes a totally unsuitable proposition.

Kind regards
