Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I completely oppose this application on the basis that this entire area and the infrastructure cannot cope with any more dwellings, traffic, appointments with doctors etc. This area is already so over congested with roads being completely insufficient for the current amount of traffic let alone adding no fewer than another at least a 1000 vehicles. This application must not go ahead and other more suitable areas should definitely be considered.

Kind regards
