Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Meopham is already struggling to cope with the number of residents already. The doctors surgery will not be able to take any more patients. There are already a shortage of school places. The road floods regularly. The main roads won't cope with the increased traffic. It will put the natural at risk and increase the flooding. There is not the infrastructure for any further development.

Kind regards
