Application ref 20260263

Warren Farm Swillers Lane Shorne Gravesend Kent

Application for variation of condition 2 attached to planning permission reference number 20230274 for demolition of existing barn and erection of a new barn for storage including three stables and a tack room; to allow the substitution of revised drawings 05 and 06 to change them to 4611.05 and 4611.06 respectively showing minor external and internal changes to the building.

The Parish Council has no objection in principle to the revised plans as the overall footprint of the building, and the height, is unchanged. It is notes that all windows have been removed and the doorways and their positions reconfigured.
