Dear Sirs

Re 'Cherry Hay', Wrotham Road, Meopham, Gravesend, DA13 0QQ
Erection of a single storey rear extension, and a two-storey side
extension with link section.

We refer to the above planning application, your reference GR/2022/1202 and would make the following comment.

The Society notes the existing dwelling is a detached house of some distinction, constructed with knapped flint and brick quoins on the principal elevations. The proposed two storey extension respects this.

In view of construction and age of the building (it is shown in isolation on the 1871-1890 OS map (KCC online) the Society would suggest it should be considered for listing.

Yours faithfully

Mrs P A Lippiatt
Hon. Secretary
