Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Top quality agricultural land should be used for growing food ,not an easy option for developers.Green Lane is merely a country lane ,already unable to cope with existing traffic ,and the proposal to use it as an access to this site is dangerous Tradescant Drive and Denesway are already used as " rat runs " for speeding traffic trying to avoid the gridlocks in Green Lane and the A227 ,and any increase caused by further development would be dangerous

Kind regards
