Reasons for comment:

Comments: I oppose this planning application as it destroys green belt land, encourages urban sprawl and changes the look and feel of the countryside, destroying old trees and wildlife habitats. White Post Lane is prone to flooding. I feel this planning application poses a health and safety risk with extra flow of traffic (comprising vans etc) on a narrow lane with few passing points for two way traffic causing a hazard for walkers and horse riders. Refuse collections would also be a concern

Kind regards
