Reasons for comment:

Comments:	<p>Roads in and around area are very busy, these extra houses will bring around another 200 cars + all site traffic and deliveries, very dangerous for school children and wildlife.</p> <p>The school next to this planned project is a special needs school and will cause stress and alarm to the children there.</p> <p>The land is farm land and if we keep building on it, we will not be able to self support ourselves in this ever growing UK population.</p> <p>120 houses will bring a minimum of 240 people into the village where we can not already get into our local doctors or get our children into our local schools.</p>
