Reasons for comment:

Comments:	<p>I object to this proposal on the following grounds:</p> <p>This development undermines the purpose of designated "green belt" areas and which are designed to prevent the desecration of our villages and prevent urban sprawl.</p> <p>The green belt classification is also important to ensure that villages do not merge and become towns. This designation was designed to protect our countryside and wildlife - this (and other proposed developments) would harm the biodiversity and the important habitats that the countryside provides with trees and hedgerow.</p> <p>Add into this the lack of infrastructure for this (and other) development in the form of doctors, dentists/hospital appointments and school places and the impact on our roads and this proposal is not viable.</p> <p>Alternative sites should be considered such as brownfield sites and regeneration of vacant housing.</p> <p>All applications should be considered as a whole, not singularly - none of the</p>
