Reasons for comment:	
Comments:	<p>The principle reasons for objection are due to the following ;</p> <p>Averse Impact capacity and movement of the A2 / Wrotham Road junction.</p> <p>Significant detrimental impact upon the rural setting of the settlement and landscape character.</p> <p>Lack of available water supply</p> <p>Importantly no regard has been given to the cumulative impact of development that is being proposed within Meopham Area and Longfield Road which links London Road through to the A2.</p>

Kind regards
