Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	<p>I object to the proposal because housing will be built on existing farm land currently used to produce food and which is greenbelt. There will be significant increase in cars, delivery vehicles and heavy vehicles on a small, narrow, rural lane which is already designated as unsuitable for heavy vehicles. This lane (GREEN LANE) already gets blocked when there are problems on nearby major roads. There will be potentially 300+ more people using Meopham Medical Centre which already has 10,000 registered patients and is struggling to cope as it is. There will also be further demand on Darenth Valley Hospital which cannot satisfy demand under current circumstances.</p>

Kind regards
